TRIAX METAL PRODUCTS IS COMMITTED TO CUSTOMER SATISFACTION THROUGH QUALITY PERFORMANCE.

QUALITY OBJECTIVES

From concept to completion, it is our company's goal to bring our customer's product ideas full circle.

We commit to:

- Ensure that there is a clear understanding of our customer's needs and expectations.
- Strive for continuous improvements in the quality and value of our products, services and processes.
- Monitor and analyze critical economic indicators to ensure sustained growth for all stakeholders.
- Measure and trend established goals for identified functions and areas

Triax Metal Products is committed to these quality objectives and completely supports and enforces them in all we do.
